PENNING

FEATURES

- Spindle and PVC panels available in all sizes suitable for sows and finishing.
- Penning configurations can be modified to meet the needs of the facility.
- Standard galvanized vertical spindle penning is available for both sows and finisher pigs.
  - Sow spindles use 5/8" rod, 4.25" OC.
  - Finisher spindles are 1/2" rod, 4" OC.
- Spindle penning shows animals well and allows for excellent ventilation.
  - Durable, galvanized, animal friendly design.
  - Variety of accessories available.
  - Horizontal is available by special request.
- Core plank PVC penning is durable and is adjustable by cutting to length on-site.
  - Available in 6m and 2.4m lengths.
  - Other lengths in increments of 1.2m available by special request.
